Boston Area Venues Guide

Events Facilities and Spaces in Boston and the Greater Boston Area

our passion shows.

Boston is one of the highest repeat destinations in the country. As a destination, Boston has a lot going for it. Since we're located in Boston and we've been in business for over 30 years, we're familiar with the best venues in the Greater Boston area.

Each of these venues has its own unique character, distinctive qualities, and space to suit your needs. We invite you to use this list as a resource tool when choosing where to host your next event in the Boston and Greater Boston areas.

This list is not meant to be all-inclusive, but we did our best to make it accurate. Venues change quickly. Companies are acquired and things can happen in the blink of an eye! If you have additions or corrections, please let us know.

"When you attend a meeting the location becomes subliminal. You see it when you travel from the airport. Boston is different. The city offers so many experiences you can use to entertain or enhance your meeting."

– Mark Bice, CMP
Regional Vice President, HPN Global
Past President of MPI New England
